Working at the Heber Valley Railroad

To work on the North Pole Express, you must abide by our dress, grooming, and behavior policies. We are only interested in hiring friendly, happy, clean cut, outgoing people who like working hard, interacting with children, and adults. Most positions require you to sing, dance, serve food, clean train cars, board and deboard passengers (sometimes in cold weather). Most positions (elf, cocoa chef, Santa's Daughters) require you to be "in character" while you are on the train. We also have a few positions that are behind the scenes (Santa's Helpers). It's a great job, but it's not for everyone. We want the great ones!
